The Premises:

Lovely hotel - and amazing room, Rosie had been upgraded by the hotel to a suite. The bathroom was bigger than my bedroom at home, and the bedroom was bigger than some people's London flats. Big four-poster bed in the middle. Very nice.

The Lady:

Oh wow. Rosie is absolutely stunning. Obviously most girls who do this for a living are pretty good-looking, but Rosie is a real head-turner. Beautiful face, gorgeous eyes, hot body, cheeky smile.

The Story:

Rosie was really sweet and chatty, the conversation just flowed.

After I'd had my shower (in that huge bathroom!) I came back to the room, and unusually for me I didn't take the lead. No problem because Rosie led me gently to the bed and started to kiss me, before stripping me off and kneeling down in front of me to lick and caress me, taking me into her mouth. The sight of that beautiful face looking up at me was amazing, and what she was doing was amazing too. I was tempted to cum in her mouth but resisted: we moved to the bed, where I returned the favour and gave Rosie a shuddering orgasm by licking her out (either that or she's a really good actress!)

When we'd both relaxed a bit it was time for the condom. Rosie on top first - wow - then doggy, with her thrusting her perfect bum upwards and pushing her face into the bed. I couldn't hold on for long and came a happy man.

Rosie's lovely. A bit shy but definitely up for it, like a horny girlfriend you're taking to bed for the first time. I can't wait to see her again.
