The Premises:

Very discrete, easy to find, plenty of street parking, near to M25 and A41. Suzi's flat in Kings Langley is lovely - could quite easily live there myself! Four poster bed made it feel all the more special!

The Lady:

Gorgeous petite thai lady but as Suzi admitted to, she does exercise so she's toned. Basically her figure is perfect, top to bottom and she's beautiful too.

The Story:

Suzi is very chatty but in a pleasant, genuine way that makes you feel at ease. I'm always nervous when I see an escort for the first time but I certainly left feeling like I'd made a new friend.

I'd bought her a babydoll which she slipped into while I was in the shower. Getting up close on the bed and eventually parting her dress in the middle was a sight that I'll remember for quite a while! Was mainly interested in a GFE and this was delivered with enthusiasm - couldn't want for more really! At the end of a long week, I decided to opt for a massage instead of round two - probably the best decision as Suzi does an amazing massage.

I shall definitely be returning and may check out her nuru massage as well! Thanks for a lovely time Suzi - great to finally find someone local to see regularly I hope!
