Lovely young lady - early 20's, body to die for and a very pretty face. You will not be disappointed. A wonderful find.

The Story:

Took the plunge tonight the hot weather got me seriously horny and the only way to beat it was doing circuit training or working out on a thai wg. Decided that the later might be a tad more enjoyable albeit slightly more expensive!

Have seen the pictures of Hazel (ASM) and Rene & Carmen of asianxclusive and thought I might try Rene after all the good feedback. She was not available but Carmen was, I asked if she was as good looking as her photos and was reassured she was.

So I went against all my better judgement (no independant feedback) I booked her with the thought in my head if she turns out to be a dud I will just walk away, as I have done recently to B&S and 10 year old photos.

I got to the address near Lancaster Gate and the door was opened with Carmen completely hidden, I was prepared to leave, and then I saw her and thought WOW - what a young beauty, with a body to die for in a orange basque and a chest made in heaven falling from it. Even if her service was awful I thought this is a girl I need to get intimate with. Her services were fabulous for a GFE, if you are after a simply lovely young lady (early 20's) with a natural bust to die for on top of a body made for sin, then go and see this girl.

She is simply lovely, very cute (slight skin blemish on her right cheek), body is sensational, chest so good I asked if was fake but she assured me it was real and it felt great, Kisses superbly and is so tight. Apart from the fab personality (not great English) I love it when they dont seem to follow a routine, essentially after a shared shower she was back in lingerie and was dfk me for 20 mins

before we got going. Plus after a great daty with all the right noises, there was no lubricant before we had really intense sex in many positions with dfk throughout. She let into the trademens as well as an added bonus.

I would describe her as a fabulous GFE with a kinky side. She is moving soon to Oxford St and told me she is quiet at the moment and a video of her is coming out of a few days. Very highly recommended. I'll be back before the rush!
