The Premises:

Annabellas had been reported on many times. Flat in a modern block, clean tidy, nicely furnished and private. Shower room is a wet room and only minor irritation is that whole floor gets wet so hard to avoid getting socks/trousers wet !

The Lady:

Photos and descriptions accurate. Has shoulder length blonde hair as pics and great boobs. Attractive face too which is obscured. Was dressed as requested

The Story:

Started with a shower as usual. Lucy entered dressed as requested

Started off with me undressing her and giving her some RO which she seems to enjoy. Moved on to face sitting and think she came she also moved really nicely making it the more fun. The she gave the old chaps some very nice OWO after which on with the mac and her on top for a very energetic f**k.

After clean up she asked if wanted to try again but I am really a one trick pony in a short session so we chatted.

Great girl, good attitude and very energetic ride. Will look out for her again. treat her well.
