The Story:

I'd promised Carla review after my previous visit and failed to deliver...She's a stunning girl and possesses unequalled sexual charisma imo. Some girls have it, most do not. If you're not aroused by her the moment she walks in and touches you I'd be surprised. This girl will give you an erection so huge you'll feel like 7 out of your 8 pints of blood have gone to your willy - she's that good. Asides from this she is so very sensual and kisses deeply and passionately. She's imaginative in bed, kind and easy to talk to. Ignore her in favour of the constant stream of new young ones at your peril! Thanks Carla.
