Faye is very attractive, spiky blonde hair, fantastic, athletically pert rear end with an arresting smile.

The Story:

I cannot believe Faye only has one other FR. I have visited HoD on numerous occasions and have found the ladies to be of a consistently high standard. In my opinion, Faye is up there with my other current favourites Pixie and Yana. She exhibits the same enthusiasm, desire to please and leaves you with the feeling that she is really enjoying herself!

I normally look for ladies with numerous field reports but the hot weather made me impulsive and so I booked Faye, basically on the strength of her likes list, which appeared to indicate someone who was prepared to experiment and I was not disappointed.

From the outset this was a great punt. Faye kisses passionately, responded enthusiastically to my attention and was happy to cater to all my desires. I felt that she very much enjoyed our encounter and I was left completely spent after 45 minutes of intense pleasure.

I would wholeheartedly recommend her and will be making sure I arrange more meetings for London on a Wednesday!
