The Premises:

Clean and tidy first floor flat.

Room was surprisingly cool on what was a scorching day.

Was disappointed not to be offered a shower.

The Lady:

Tall athletic Czech blonde. Accurate description on website, though photos do make her boobs look bigger than they are,.

The Story:

Met by Lauren at the door and taken in to the bed room offered and gratefully accepted glass of OJ.

Started with us stood up, with Lauren kissing me whilst removing my clothes, then on to the bed for a superb body massage.

This followed by some wonderful OWO, during which Lauren asked if I liked to 69, yes please, so she swung her long legs round and positioned herself so that I got a face full of her neat pussy, which tasted delicious.

With her satisfied, we moved to fuck, on with the rubber and into missionary, followed by reverse cowgirl.

Ending with a bout of mutual masturbation.

A second glass of orange juice was readily accepted afterwards.

An excellent punt.
