The Premises:

New apartment so absolutely fine. Was tempted to try to persuade Farah to spend the time on the balcony but possibly overlooked.

The Lady:

Healthy curvy young black lady with very impressive breasts, lovely bum and, what is not shown on her photos, a really attractive face with melting eyes and a ready smile.

The Story:

I am not the first to say 'how have I missed seeing this girl before?'.

I love pretty, lovely-natured black girls and Farah is a perfect example. She is intelligent, chatty, responsive to your wishes, compliant within her limits and great to make love with.

Does not give the PSE performance but her GFE ticks a heck of a lot of boxes.

OWO is especially good and when that is turned into 69, I could stay there for 69 minutes and more.

She is popular and with good reason and is the epitome of value for money. Farah puts the gem in Brummagem.
