The Premises:

Close to Anerley station, on bus routes and with parking nearby. Safe basement flat with front and discrete rear entrance. Clean and updated, with two service rooms. The original room now has red furnishings, a wrought iron bedstead (mind your toes!), poor quality video and the same great mirror wall. The original lounge is now equipped with the old circular bed (for when there are two girls on duty) with TV and video available. The shower has also been refurbished. A friendly maid offers drinks before and after.

The Lady:

Stephanie is a beautiful natural blond with a curvy figure and an engaging Swedish accent. In mid-twenties and as shown on the website but even more attractive in the flesh! Her partner today, Isabella, was a slim, elegant brunette with a sexy Italian accent, also in her mid-twenties. She was the slightly taller of the two. Both girls are truly beautiful and wore black which emphasised their delightful figures and lovely legs.

The Story:

The offer of a straight "two girl" with such gorgeous girls was an immediate "yes". To be kissed and caressed all over by these two gentle and very feminine young ladies was pure bliss (with only one regret – no FK). As they moved around my body, taking turns at OWO, I was prompted to return the favour on each girl and it was hard to keep my cool. Mish with Stephanie was next and very pleasurable, as we worked up quite a rhythm. Luckily I was able to hold off so as to cum in Isabella in my favourite doggie position. Once I withdrew, both girls continued their attentive caresses, cuddles and friendly conversation till it was time for me to leave. I'd asked for a GFE and got it twice over!
