The Premises:

As another punter wrote, 'entrance is round the back of a small parade of shops on Derby Road, so not too obvious. Rooms are relatively small, but there are separate shower & locker facilities'.

The Lady:

A leggy blonde in her mid thirties with a playful demeanour, a mischievous smile and a perfect body –round firm breasts with pretty nipples, a cute round bum and legs that just keep going. She calls herself 'Scarlett' alluding to Ms. Johansson but has the sassy sexiness of Naomi Watts.

The Story:

Wow! Incredible, really. I don't punt very often and hadn't for a long time, and I was so nervous that as I lay on my front on the massage table, I could feel my heart thudding. But Scarlett's gentle massage and friendly chatter quickly calmed me down and as she worked her fingers skilfully and magically around the back of my balls the thudding moved south and I soon found myself lying at a bizarre 45-degree angle and ridiculously turned on. I turned over and buried my face in her lovely pert breasts as she swiftly slipped on the condom and gave me a blowjob so amazing that I literally started to cum within 30 seconds and had to push her away (it normally takes me 30 minutes!). I had opted for a massage, covered blowjob and wank rather than full sex because I'm overly safety conscious but after this, I was begging to fuck her. 'Next time' she promised playfully, as she flashed a smile and finished me off with a beautiful sloppy hand job. I will definitely be back! It was Scarlett's first day at Spangles – treat her kindly boys, she is a rare find who combines the expertise of an experienced professional with the fun-loving sexiness of a flirtatious teen.
