### The Premises:

Best parlour in crewe, if jennifer from Alicias down the road worked there it would be perfect as it is its just damn good

### The Lady:

Guess mid 20's, northern girl, dark long hair and the best body of any woman i have ever seen, just incredible.

### The Story:

had wanted to see fallon for a long time and wasnt disappointed. pictures on website do not do her justice. her body is sensational. legs, arse, stomach, tits the lot just perfection. amazing smile, eyes, beautiful hair, shaven pussy, just a really really beautiful young woman. the kind of girl if you see in the street you cant help but turn and look at after she has walked by. very chatty, friendly, funny and wise a pleasure to spend time with let alone have sex with! after wonderful massage, i played with said perfect tits, received the best blow job i have ever received, licked her gorgeous wet lovely tasting pussy for a good 10mins and then fucked fallon first doggy with her bent over the bed and then with her on her back with her legs over my shoulders. it was incredible, lots of rude talk as we fucked as well. definately hope to see her a lot more in the future and rank her 2nd in my al time punts behind jennifer at alicias.
