The Lady:

Blonde, guess mid 20's, great body, fantastic big tits, sexiest tatoos, wicked hair style, she just oozes sex

The Story:

Was in brooklyns a few weeks before hand waiting to be introduced to the girls when the most stunning blonde lady walked past, she just screamed sex. she smiled said hello and my mind was made up. sadly she was booked up for the next 2 hours so i decided to save my money and go. i rang a fortnight later booked to see sienna and from the moment she entered the room it was apparent it had been well worth the wait. we kissed, then the customary quick massage, i explored her body especially those fine tits, she sucked my cock, i licked her pussy which she seemed to enjoy she was sopping wet when i had finished. we then fucked first doggy then her on top then in the chair in the corner of the room then finally with her lying on the end of the bed as i fucked her whilst stood. it felt great she was that wet i slid in and out of her and couldnt believe how long i had lasted inside such a stunning woman. as i say she just oozes sex and is in my opinion a must see.
