The Premises:

Semidetached house in Nottingham uni area. Room is poorly furnished a bad with no sheet, not a high class place for sure. The area is safe, although the door was opened by a guy who then conducted me upstairs to the room. I do not really like this arrangement, hence I did not quite feel safe.

The Lady:

A typical bait and switch situation. Be warned that the picture and information on the website are false. Older Chinese woman in mid 30s was on the room. Quite slim and ok looking, black hair nice body, so i decided to stay even if was not the lady on the picture. Of course having the guy downstairs also made me think to better go ahead, but i was horny enough anyway.

The Story:

She barely spoke any English, so communication was practically nonexistent. Asked extra money for CIM, but was ok (£10). No kissing was allowed and she was quite mechanic, although she seemed to enjoy the sex eventually. Second round did not work out, she was too mechanic. I am a GFE type, which this certainly was not.

However, she gave me a fantastic massage for the rest of the time. I have to say the massage was really fantastic, the best i have ever had, so eventually i got something worthwhile for my £100.
