### The Premises:

Ground floor flat in modern block near Tesco.

### The Lady:

Petite pretty Chinese girl with small tits but huge nipples. Long labia lips. She had some large welts on her back which were apparently due to acupuncture to relieve back pain.

### The Story:

Had to wait an hour for an appointment. Greeted by Lily but a bit disconcerted that the girl was still occupied and a biker was using the computer in the living room. Had some embarrassing chat until the girl was free. In the room I had a nice back massage followed by OWO and sex in two positions. As usual had a good time at this place.
