The Premises:

Receptionist isn't very reliable at times, booking with them then trying to Fob you off with someone else, because usually there are 2 girls working. I have left a few times, because when you've seen Anita, no one else can compare! Usual place off fosse road. The ladies change every few weeks. So check on vivastreet for updates. Clean 2- bedroom flat with parking outside. fresh towels with shower amenities provided.

The Lady:

A relatively tall Thai girl (5' 5"), 23 years old, beautiful face and lovely body with the curves in the right places. Brown hair with highlights, sexy eyes and large ample tits, 38dd, natural. And a tight pussy!

The Story:

Hit and miss with this establishment, currently a hit, Jenny was working previously, but as soon as I laid eyes on Anita, she was the one! There is a good run of attractive size 6-8, busty thai girls at the moment and I'm not complaining. Some photos are photoshopped, but Anita's aren't!

After the finances, she left the room while I undressed and waited on the bed. Anita came back wearing just black stockings, wow, what a sight, her tits were stunning, she climbed onto the bed and gave OWO, An expert. I was begging for her to slow down, otherwise I would have shot my load without experiencing her warm tight pussy. She came up and we were able to exchange gentle kisses, a lot of touching from Anita, the she discretely put on the mack and slowly eased my manhood in her pussy. What a sensation! Tight and warm, she was riding me and I loved looking at her body, face and tits! A few minutes of cowgirl, we changed to doggy, mish then back to cowgirl. By now she was wet with her love juices, I couldn't hold back an erupted into her pussy. She was trying to pump every last seed from me, we were both exhausted, but very happy. A quick shower, clothes back on and I left. We exchanged more kisses when I left, I didn't want to leave, but she had another punter lined up.

I have seen Anita twice before I had a chance to write this report. She is definitely worth a visit. She is definitely up there with Joanna and Anny (who renamed herself Suzy) and Jenny. While Anita is here, She is definitely worth a visit. After that, it will be hit and miss again, with older, fatter photoshopped girls. Make the most of her while she's here.
