Hotel - Ok, safe - Room quite clean.

The Lady:

Tall, sun tanned, wonderful blue eyes. Very smooth skin. Wonderful ass. Fake but beautiful breast. Possibly fake lips (not so beautiful). Nice and well cared hands and feet. Very fit. Slightly large hips. Marvellous legs. She is the lady in the site pictures.

The Story:

Elise is beautiful and professional.

Too professional for me, not the true girlfriend experience i was looking for and the agency was known for.

She does what you ask (except anal) but mechanically and with little involvement.

She does not touch you, nor caress you. She does not like to be touched in the hair and in the face....

A bit of a passive doll :(

Her french kiss is poor.

We did standard sex, in two or 3 positions (if you try something more fun she says she is not comfortable in such positions).

We ended with CIM (this was well done by Elise, pity that she does not swallow)

All in all an average and bit disappointing experience vs. price and expectations.

Conversation is very basic as well.
