The Premises:

Incall at her home, close to the city centre but in a quiet leafy suburb. Safe with no nosey neighbours and parking on the street outside.

The Lady:

Blonde haired goddess, exactly as she looks on her website, only better in the flesh.

The Story:

I have visited Cat before, but not for about 3 years. She has hardly changed at all, although I have a few more grey hairs. Despite not seeing her for years, she still remembered me and during our hour together we chatted like old friends. Cat still knows how to get the best out of me and what buttons to press. She is very talented in the bedroom and one of the few ladies who can get me to rise twice (if you know what I mean).
