best place in crewe. parking at rear, friendly receptionists. lady tonight a stunning woman herself it must be said!

The Lady:

without any shadow of a doubt the most beautiful girl i have ever seen. honestly words cant do imogen justice she is just breathtaking. long blonde hair. slim, tanned, toned body. pert tits, with huge nipples, incredible arse, legs. couple of sexy little tatoos. would guess she is early 20's. just a stunning, stunning young lady.

The Story:

rang to see who was available and was told i could meet 3 girls if i was quick. i was very quick and was introduced to shakila imogen and anika. the choice was easy imogen is unbelievable, she blew me away the moment i set eyes on her. way out of my league could easily be a model she's that beautiful i couldnt believe my luck. after a quick shower in came imogen dressed in black underwear i dried as we chatted then before i knew it we were on the bed french kissing. i then played with her tits and amazing nipples before she gave the most fantastic blow job i've ever had. then spent an age licking her pussy until she was sopping wet, then we fucked until i came inside her. all the time we kissed. after we'd finished fucking she gave me an incredible massage, we kissed some more, then got chatting as if we had known each other years, she's just so nice as well as stunning. brooklyns have found a gem who i hope to god remains for years and eclipses jennifer at aliciasas the best punt ever! thankyou imogen!
