The Premises:

The flat is located in a private block about a 5 minute walk from London Bridge station. It is very discreet although it is quite basic inside.

The Lady:

Amelia is a dark skinned, Romanian girl with very large, firm DD breasts.

The Story:

This was a bit of a hurried punt, but enjoyable all the same. The session commenced with uncovered oral, but it was too vigorous for my liking so I just asked for breast relief whilst giving them a good squeeze and suck and finishing the session by coming over them.
