The Premises:

It felt very discrete, and more importantly, well managed by the ladies.

The Lady:

As per the website. Tall, leggy, blonde, tanned, toned. I've seen more fat on a cheetah.

The Story:

It was a hot day, I called on the off-chance and was told that Parissa would be available if I was there in the next five minutes. She was, so I had to high-tail it from a block or so away in less than suitable clothing. Obviously took up the offer of a shower on arrival!

I found Parissa to be a really friendly girl. Lets be honest, conversation isn't the primary reason most of us go, but it always helps.

Parissa asked me on to the bed where we starting with oral, then RO, then a 69, before the inevitable conclusion in missionary, with Parissa's dirty talk throughout. In English, perhaps I should have asked for Polish too.
