The Story:

Leoni opened the door dressed only in red bra and panties. I was immediately wowed by her beauty and sexual aura. We kissed in the doorway gently at first and then deeply and passionately before she led me into the bedroom. A large mirror covered one side of the room allowing us to watch what followed. She took off her bra to reveal perfectly shaped and firm responsive tits. I pulled her panties off to reveal a completely smooth pussy. Attention was immediately given to this and Leoni soon showed she enjoyed my efforts. She then sat on my face and ground her pussy into me. She tasted wonderful. She then moved to demonstrate her oral skills giving me an awesome blow job complete with deep throat spitting and gagging. I wanted her badly so on with the condom. Started with Leoni on top riding me deeply and hard. Then onto deep doggy and then missionary. She was hot and tight. Leoni came during miss and then proceeded to taste her juices on my cock. This was swiftly followed by juicy kissing and pussy tasting.

Ended with CIM most of which Leoni swallowed after snowballing. She then let some cum trickle onto her tits which I rubbed in. We ended with some passionate cuddles re-discovering all parts of each others bodies
