The Premises:

Nice place, up some wooden stairs as previously mentioned. Entrance a bit public though.

The Lady:

Curvy girl, early 20s maybe, cute smile, spoke very little English.

The Story:

This is a mixed review. There were only 2 girls available, and the other girl was missing a noticeable tooth, so an easy choice.

Once in the room, took a while to get across what I wanted. Paid extra for GFE, but all that got me was uncovered oral and eye contact.

The sex was good, her on top, nothing earth shattering. Have had more for less elsewhere.

Would recommend but not return.
