The Story:

After seeing Chloe, again, today (see previous report) was offered a cup of tea by Debbie and so had the chance to talk to the delightful Stephanie who was also working. Have to say, I was instantly smitten.

Since she was free, I asked if we could spend some time together when the main bedroom became available. So, after a half hour break to recuperate, it was back in the room for a second session with another gorgeous girl.

Out of necessity, on my part, this was a gentler and slower affair starting with some excellent DFK (Stephanie is a willing and sensual kisser) followed by my attentions to her delightful pussy.

She then proceeded to kiss me all over, interspersed with more DFK and followed by her on top until I came.

Pictures on the website don't really do her full justice but are accurate excepting that, for reasons of privacy, her face is hidden. She has, however, the most beautiful sweet face, slim body and very sexy accent (Swedish with a mix of Spanish).

Don't however, be fooled by those demure looks; she knows how to please and whilst, for me, a nice gentle GFE was what I needed, I suspect she could be quite raunchy for those wanting some more vigorous action.

Definitely recommended and will absolutely return to see her again.
