The Premises:

Easy to find with instructions given, near the Sainsbury end of Worle. Nice clean house, area seems safe enough, shower w/c available, very friendly lady, offered variety of soft drinks on arrival.

The Lady:

Says she's 38 and have no reason to doubt it, long dark hair and nice curvy body, worried she has a "little in the middle" but looked fine to me.

The Story:

From the first call a very friendly attitude, asking what i was looking for, clothes she should wear etc. all very professional. On arrival shown straight to the room offered a drink and chat while we got the paperwork out of the way.

Started with a massage followed by some oral both ways and sex in a couple of positions, she's not a machine and likes to get some enjoyment from the meeting. Not a clock watcher but quite strict on the time, but got what I paid for so no complaint. Have the feeling she's worked in parlours and learned her trade well, now she's working on her own. All in all a very enjoyable visit and one I hope to repeat.
