The Lady:

For the first time ever I can say she was better in real life than in the pictures. Big eyes big smile slim fit as fuck and massive enhance tits.

The Story:

After about 12 years punting this woman is arguably the best I have been with. Owol French kissing genuine GFE. A bargain and a gem. Worth every penny and more. I wasn't going to see her as the pictures were not that flattering but another great girl, Cool Victoria, was busy. Man am I glad she was... nicola is even better. Honestly guys she is a must see... Unless you dislike big or enhance tits as she has both and they are awesome.
