The Premises:

Zizzi is currently based in a quiet, anonymous looking apartment block located in walking distance of both Paddington and Bayswater. Once you have negotiated the noisy lift (which feels like it could break down at any moment), Zizzi's flat comes as blessed relief; it's a large space, tastefully decorated with comfortable bed, sofa and plenty of strategically placed mirrors. Bathroom is compact, but fit for the soapy fun to follow...

The Lady:

For once no photoshopping is needed - in the flesh Zizzi looks exactly like, if not better than, her photos. Slim, petite, pert natural breasts, exquisite pear-shaped bum, luscious long hair and that winning smile. Absolutely drop-dead gorgeous.

The Story:

Although I'd been meaning to see Zizzi for some time, in the end it was a real spur of the moment booking; knowing I was to be in London for the day, I called the agency the afternoon before, fully expecting to be told such a popular lady was unavailable. However my luck was in, and I was offered a 2hr slot that fitted perfectly with my schedule. How could I refuse?

Within a minute of my arrival I knew I'd made a wise decision. I'm sure we've all had those moments where you see a girl for the first time and she just doesn't quite match up to the photos on the agency's website. No such issue with Zizzi - what you see is what you get, and she looks simply stunning! I was welcomed by name with a hug and a kiss, immediately offered a drink, and then Zizzi insisted on helping me out of my wet clothes.

After my walk to the flat in the pouring rain I was ready to freshen up and Zizzi had already prepared a bath for us. I'm not usually a fan of the shared bath, but with Zizzi it is something to savour as she scrubs you clean and then mischievously turns her attention to your 'big boy'.

She was already building me up for a CIM finish, but I held back and suggested we move back to her boudoir to continue. More blissful OWO followed (great technique), reciprocated by myself, accompanied by plenty of light kisses. There was no rush, we just took our time and enjoyed each

others bodies. Zizzi's skin is so soft to the touch and she has lovely suckable nipples... by this point I felt like I'd died and gone to heaven. Eventually it was on with the cover and Zizzi mounted me for some slow passionate sex which left us both sated and happy.

I knew Zizzi wouldn't get more than one pop out of me on this occasion, so for the remainder of our session I was happy to receive a much needed massage to my aching back and shoulders. You can tell she's specialised in this back in Thailand, her technique was really hard and firm but boy did I feel the benefit from it!

Throughout our session we chatted and joked, and Zizzi's full attention was on me at all times, making me feel like a King - no clock-watching and she didn't even acknowledge my donation until I was getting dressed to leave. From the moment I walked in, to the moment I left, crying mock tears in the doorway as I waited for the lift to arrive, Zizzi was an absolute joy to be with.

Zizzi epitomises the 'girlfriend experience' and quite frankly she sets the standard for which others will be judged. Even with girls who give excellent service, I rarely return, always seeking new experiences. However with Zizzi I will definitely make an exception, she's in a class of her own. Best punt I've ever had, simple as that.
