The Premises:

My first visit to HOD 2. I can't understand the fuss and criticism of HOD 2 though to be honest, yes its not as nice as HOD 1, yes it doesn't have a waiting area but I don't care - I wasn't there to admire the soft furnishings or do any waiting to be honest.

The Lady:

Spectacular, delectable, sexy, perfection, the best body I have ever laid my hands on.

The Story:

The sun is out, the birds are singing, we're winning the cricket, and Jade is back!

Jade looks exactly the same as before she left for her extended break in my opinion - she is quite simply spectacular to look at, never mind fuck. I love this hobby.

Once I was shown into the room a glass of water was delivered by the very friendly receptionist, followed a short while later by Jade - dressed to kill and smelling delicious. She seems to have a set routine regarding the mirror in the room and started by dragging it in front of the chair so we could both admire the view in the mirror. Round 1 started as is now almost routine with a lap dance which got me hard in no time, then on to a lengthy session of owo. Looking in the mirror and admiring the spectacular Jade with my cock deep in her mouth had me shooting my load earlier than I would have liked but filling her mouth with a weeks worth of cum made up for it. Thanking me (!) before discreetly spitting it out into a tissue Jade retired to the bathroom to clean herself up whilst I collapsed back into the chair.

Jade returned, refreshed and keen for some action - a side of her I hadn't seen before to be honest - she has always been quite demure but this time she took the lead. Spending a few minutes on her knees she soon had me hard again, then suitably gloved up she sat me down in the chair and straddled me for some cowgirl fucking. Grabbing her perfect arse and burying my face in her tits the tempo was increased until I was on edge again. Like the professional she is she suggested that we disengage and perhaps make use of the bed for the first time :-> I didn't last too much longer after

that to be honest, Jade on her back with her heel-clad legs over my shoulders and encouraging me to fuck her harder did it for me, eventually depositing another load into her mouth and onto her tits.

A very brief massage ended another glorious hour with Jade, I left with the smell of coconut butter on my skin and a smile on my face.
