The Premises:

Basement flat about 10 minutes from Station.

My first visit to MK. The area around the station feels like a ghost town. I think I only spotted 1 other person and 1 car during my walk to the flat.

When I got to the building one of the other girls was sitting outside in a patio area. Lets just say that by the way she was dressed I knew I was in the right place

The room itself was fine enough.

The Lady:

Looks similar to pics but the Pics perhaps flatter her body. Her body was not tight or toned (my guess would be some wear and tear from a kid or 2)

Body perhaps 7/10, face 7.5-8/10

The Story:

When it comes to service and attitude Foxy was great.

I get the feeling she never says no. All services were on offer and over three rounds I came on her face, In her mouth, Mutual Rimming and oral, DP using vibrator, Anal in many positions.

Service probably 9/10.

Her attitude was friendly at all times but sexy at the same time.

Probably wouldn't return just because I like to fuck around but I will answer yes because this is not down to the lady.

An excellent first punt with this group of agencies.
