The Premises:

Advertised as Plaistow but probably easier to get to from Upton Park. Those who know the football ground it is just off the Barking Road near the stadium. believe she works in Waltham Forest at times too. Standard room in terraced house. Big but bare except for a huge bed.

The Lady:

About 5' 8". Slim. Good body. Great bum but average boobs. Romanian. Hair looked slightly blonde (not reddish as in her pictures). Also her face looked a bit chubby in pictures but not in person.

The Story:

I found Catalina to be a very warm person, certainly not a typical EE experience. I normally don't last too long at these things (especially when I find the girl really attractive as here) so had a couple of drinks beforehand.

However probably overdid it a bit. Would normally come twice in a half hour but coming once proved difficult. But not for the want of Catalina trying. She started by rubbing herself against me and DFK. Then she went down on me. She said she does not do CIM. Then after a few minutes got the urge to get inside her.

We tried a number of positions and she looked great in all of them. She was constantly asking for feedback and asking if I liked what she was doing. Also she was always doing extra stuff like grabbing my balls, kissing my neck etc. Towards the end I was bashing away quite hard and she didn't seem to mind even though it took me an eternity to come. By then the half hour was almost up. Throughout she had a warm personality and she has a slightly quirky sense of humour, which I liked. (e.g. she has a huge pair of Incredible Hulk hands in the room!!). English was quite good and we talked a bit about a few things. I also need to say that she was not only happy to FK but seemed to love DFK, often instigating this herself when, say, we were in missionary. In my experience not many girls do this let alone enjoy it so much which gave it more of a GFE feel for me. Great value for the price (have paid more for less in the west end). I came back the next day for a second pop and she seemed really happy to see me. Think I may become a regular...
