The Premises:

It was in a very nice part of West London, just a few minutes walk from the station, the flat is in the basement and very nice too as was the bedroom I was shown into by the maid.

The Lady:

Millie was even better in the flesh than her pics and she wore some amazing, sexy black lingerie and high heels (which I just adore!)

The Story:

Unfortunately, I only had time for half an hour with Millie and the time just whizzed by, she came in the room and we started kissing deep and passionately (after the formalities of course) and touching and caressing our bodies till she started giving me the most wonderful, deep OWO which I then returned the favour to as she moaned and tweaked her hard nipples and I could see and feel her getting wet (she tastes so so good by the way!) Had to keep an eye on the time so did 69 next till I thought I was gonna cum there and then so had to stop her and asked her to straddle me with those beautiful, long legs. Her hot pussy is just so tight and it was almost gripping my now rock hard cock and I REALLY wanted to fuck her from behind so that's what we did very vigorously and deeply which she seemed to really like till she asked me to come in her mouth which I did with so much pleasure!! had a wonderful half an hour but with her but just wish I could have had much much more! Satisfaction guaranteed.
