### The Premises:

I like this parlour. It ain't posh but I always feel comfortable there and it offers an exciting range of mature ladies.

### The Lady:

Emma is a voluptuous BBW and proud of it. About 5ft 2in tall and very pretty, although she can look stern on first acquaintance, she has a wonderfully rewarding body to explore.

### The Story:

Emma was a little reticent to begin with but once we started to kiss and my hand started to fondle her massive tits and reached down for her pussy she seemed to quickly relax. She obviously loves to receive oral and as I'm a lover of providing it, we soon started to get on well. After a slow, sensual but all too short period of foreplay (I could genuinely have gone on worshipping her beautifully inviting body all day) she slipped on a condom and we finished in miss. A hot, sweaty but incredibly sexy 30 minutes I very much hope I can repeat when I am back in Manchester.
