The Story:

Its been a long time since I even looked at this parlour's website, so imagine my delight on what was a totally random visit to find that one of my favourite girls, who had left at least 2 years ago, was back. Vicky hasn't aged in that time and was just as hot as I remembered. She's also still great fun and clearly hasn't lost her enthusiasm for the job.

She recognised me instantly, (always nice), and we spent a good time just snogging and catching up. Then down to business and eating her sweet pussy and rimming her. Guys, this girl loves receiving and is so responsive. I had her cumming in no time and rubbed her juices all over my face. Now it was my turn and after a good suck, I fucked her doggystyle in front of the mirror, pulling her hair while she screamed encouragement.

During the recovery period, we talked fantasies and soon had each other excited again. Then I got her to sit on my face while telling me about some of her filthy antics before I fucked her in mish, looking into her eyes and talking dirty. Finally, just as this great punt was coming to an end, another moment for the wankbank. I gave her my white pants and told her to rub them all over her soaking wet pussy. Awesome! Needless to say, I was walking around with a grin all day.
