The Premises:

Debbie's - Extensively reported on. Friendly and well known establishment

The Lady:

As per her pictures on the website: Raunchy and sexy with a mischievous twinkle in her eyes. Now with a shorter bob of blond hair which suits her really well.

The Story:

Had seen Chloe once before at Debbie's and remember her for absolutely snogging my face off from the moment I came in. Same again this time!

Chloe enjoys every part of her work, and it shows through to her commitment and enthusiasm in the room.

She absolutely loves kissing and having her body and pussy kissed, licked and sucked (happily, I also love doing this).

This was a vigorous session for me (as I'm not getting any younger) but Chloe seemed to respond well to my attentions and the sex that we had in various positions. Plus there was plenty of DFK all the way through, which is important to me.

Chloe is a very attractive and sexy woman. Thoroughly recommended and justifiably very popular.
