The Premises:

A very plush and luxurious apartment, located in an easy to find and accessible location in Heathrow, good car parking facilities which is always a concern for me.

The Lady:

Young, curvy buxom, very spicy Indian lady with magnificent assets, 34EE to be precise which are a nice handful.

The Story:

I have been seeing Kareena for a number of years now and it is always a pleasure to meet her, she always welcomes me with a lovely warm smile and is always dressed to impress. Her breasts are just awesome, fantastic lickable and suckable brown nipples. Has fabulous curves, a bum which I could kiss and caress forever. Definitely one of THE BEST and only genuine INDIAN ladies I have come across!

I know some of you like the more intimate details, so here's just a few; you're in for knee trembling OWO & Deep passionate and heavenly kissing, and she tastes divine. Kareena is the sort of Indian women you see around town and think Fuck shes fit! But you know she's forbidden and it's never going to happen! So if you want to make all of your Indian women dreams come true, don't delay call Kareena today !!!

I know you guys reading this think I am probably think I am deluded for saying this but Kareena has a wonderful personality and is a really loving and caring person, we always have a nice chat and she takes a real interest in me, a very realistic Girl Friend Experience. DEFINITELY NOT A CLOCK WATCHER.
