The Premises:

Nina is based in Witney, however I met her while she was on tour in South Bucks, at a nice discreet hotel in Beaconsfield. The exact date of the meeting might be a little out, I am sure Judy would be able to confirm if this is an issue.

The Lady:

The pictures on Judy's website are very accurate, mature, elegant and very sexy, like many of Judy's ladies she is most definitely out of my every day 'normal' life league, I doubt I would ever find myself getting intimate with such sophisticated mature ladies if it was not for Judy's agency.

The Story:

Nina provided a superb GFE, which included OWO, & French Kissing which are always musts for me, she appeared to genuinely enjoy the time we spent together, I was particularly impressed with the way in which she responded to the reverse oral I performed on her, all I can say is WOW and let's just say I felt her orgasm.

I have put down that the booking was for two hours, however what actually occurred was, I saw Nina midmorning early afternoon for one hour, I was so impressed with the service which I received and that I went back for seconds in the evening on the SAME day for another hour.

Let's just say we had another hour of erotic, passionate and sensual SEX. The most impressive part was when I asked Nina if she could feel my penis throbbing while it was deep inside her moist vagina, she responded with yes and asked if I could feel "this", and "this" was her spectacular vaginal muscle contractions WOW, you have to feel this for yourself to truly understand and appreciate what I am trying to describe!

Nina rose provides a magical service and is a very erotic and experienced lady.

I am usually a little cautious when it comes to using agencies etc, however I can confirm the service which Judy provides is fantastic!!
