Profile Name: Adele Bella

The Premises:

Three flights of stairs and spiderwebs in the sky-lights. Perfectly adequate though. I wasn't there to assess the building, or do the dusting.

The Lady:

Normally you expect the photos on a website to glam up the girls a little too much. Not here though. She could have stepped straight out of the photography studio.

The Story:

Wow. Adele was about ten minutes late and up to that point, I was tempted to leave simply because I had somewhere else to go. In fact I even picked my socks up to put them back on. All that was forgotten when she walked in though. Great smile, great personality and she just came across as so obliging and genuine. Without going into a blow-by-blow, she kisses well, and gives a fantastic blowjob, and when it was my turn to oblige, she tasted fantastic. I could have gone down on her for hours. Her on top for cowgirl, with lots of full body contact was just so good too.

I actually made the booking for today last Thursday, and even then, this was the first available appointment at the time. I can see why. When a girl is too popular, it puts me off a little but I am so glad I took the opportunity. I suspect this will be my last time for quite a while, but what a way to go out.
