### The Premises:

Nice flat, not far from Mornington Crescent tube station. Felt very relaxing and comfortable with loads of personal touches.

### The Lady:

Kitty is incredibly pretty. Slim and toned with her black hair in a cute bob.

### The Story:

Kitty is the epitome of the GFE (in fact better than a lot of girlfriends!). From initial contact to my leaving her flat Kitty was friendly, relaxed and, refreshingly, didn't take it too seriously.

After a shower, we chatted, kissed and I got to see Kitty removing her beautiful dress to reveal gorgeous retro underwear. I won't go into detail save to say that we did all the usual things and Kitty was fantastic at them - and certainly gave the impression of enjoying herself.

The highlight for me was that in addition to the more energetic activities, we also had a really fun conversation, covering topics from escort photography via career aspirations to certain perils of house parties. More unusual activities are probably not on offer but Kitty is the perfect mix of intellectual stimulation in addition to physical. Kinda wish I'd booked longer!

Now when am I next back in London...
