The Premises:

It's ok as a working apartment, the area is busy and safe, you walk around unnoticed.

The Lady:

Average height, great body and tits, she does have that quality that makes a man horny.

The Story:

Good service overall with an outstanding OWO, her tongue is pierced so, had a terrific uncovered blow job, almost wanted to cum but then decided to save it for the sex. She got me covered up and I entered her pussy with my raging hard on, had her in a few positions, always moaning loudly, my orgasm was so good.
