### The Premises:

The parlour is small but clean & inviting. There was no problem making the phone booking the previous day. Tracey, the receptionist, is competent & friendly. She offered me a drink which I accepted.

### The Lady:

Celeste is a lovely looking mixed race lady in her thirties. She has a toned, petite figure with smallish breasts and pert little bum. She has a good sense of humour and has a way of putting you at your ease. You get the impression she genuinely enjoys sex and makes you feel special.

### The Story:

We began with full on snogging & lots of tongue action. With her straddled over me & her clit rubbing against my cock, I sucked her tits & squeezed her bum & she was moaning with pleasure. I soon became hard & she gave me lovely oral for a while. Then I got her to lie at the side of me so that I could kiss her again. She loved me sucking her gorgeous tits then I gave her oral till she came. After some more oral on me we had sex in cowgirl then doggie to finish. As always, she let me stay inside her for as long I wanted. We lay in each other's arms relaxing & chatting about this & that. I got her to lie face down and gave her a massage. The end of the hour happened quite naturally by mutual consent with Celeste having a brief shower. A glance at my watch told me that time was probably up but, as always, there was no knock on the door, no feeling of being rushed.
