The Premises:

Nice area in Bayswater, not too busy but pretty densely populated - lots of houses around. Felt a little suspect, though Kate was welcoming when she came to the door. The house was pleasant and I walked to her flat inside. Place was clean and smelled wonderful!

The Lady:

Bombshell! One of the finest ladies I have had the pleasure to spend time with. Aside from being damn pretty, she has such a tight body and long legs. I could see her bra through her blouse and was chomping at the bit to get my hands on her sexy ass.

The Story:

I was very eager at first, and she seemed to not be so keen. After some DFK this all changed and she seemed more up for it than me! I touched her pussy and she was seriously wet. I asked for OWO - great, stopped her after a few minutes so I didn't walk out red faced. I went down on her, something I wish to do again, she was clean shaven and tight and I couldn't resist it any longer. She wrapped her legs around my back and stared into my eyes whilst I pounded away. So sexy. I turned her over for doggy and pulled her hair to me, whispering in her ear. She gasped and as I was about to cum I told her to get down before me and finished in her mouth. Incredibly hot.

I would certainly recommend Kate to anyone. A little more expensive than my casual punt, but when I saw her pictures I couldn't resist. Might book a couple of hours next time to really get my money's worth - she told me she does a great massage that I will definitely be back for.
