### The Premises:

The Place was clean, went there by taxi, it was safe and secure. However make sure you are in the right block as the different grided streets are back to back and all look the same!

### The Lady:

Very attractive smiling Thai Lady with enhanced boobs, quite bum!

### The Story:

As Milton Keynes is allegedly a punting spot to rival Manchester I had to break my duck here at some stage to test the water.

I looked up the line ups at the main parlours a few days ago with a view to making an appointment or 2 for today, Saturday.

Sara Li at Annabellas stood out from her photos and reviews and site details. So I arranged to have a meeting with her on Saturday, July 27th, booked on Thursday. I was told to ring back between 10-10.30 AM Saturday for the exact apartment address.

On Saturday morning, I got the Train from Euston to Central Milton Keynes, it's a 30 min journey costing £14 return and then I paid £6 for the taxi to get to the place on Silbury Boulevard. This avenue is across the road from the mammoth shopping centre.

I arrived slightly early for my 12 AM appointment.

They have a big thing here about not letting punters see each other probably due to the small population of the area! So you could be made wait in a toilet until a customer is sorted.

I have to preface my report by saying that I had a bicycle accident coming over the handlebars from pressing the front breaks to stop from hitting a kid on a bicycle. My nose is bandaged and the radial bone in my right arm is fractured, so I am slightly limited in what I can do re most positions would be out.

Sarah Lee describes herself as a Latina-Thai mix although she just appeared to be a beautiful Thai to me. She is in her 20s, pictures on their site are accurate, she has nice sized boob with lovely

responsive brown nipples she was dressed in a black basque and black stockings and high heels. The encounter began with her french kissing me which was very pleasant and relaxing she then stripped revealing a beautiful body and a particularly cute bum which I rubbed with my own ass cheeks a few times! Her skin also tasted beautiful. There was also some nipple sucking. Her oral technique is fantastic and included ball licking in OWO and she tasted very good in the 69 position when we got to it! She is not fully brazilianed in the pussy area, which is nice to see for a change. Unfortunately due to my recent accident, I felt limited in positions. So I asked her to go on top, So she rubbered me up, and began on top face towards me and eased me in gently and jockeyed my throbbing member well, then she switched to reverse cowgirl which was equally fantastic. We had a good few thrusts in this position, but I felt I was not going to come. So I asked for some more oral and hand relief to finish. She made me harder after withdrawing from her pussy through oral and then applied some lube to my cock and masterbated me to a very nice climax where I shot loads of thick creamy fertile cum. Her HJ technique including a gentle twisting of the head movement which I have seen on Sex Ed shows and was quite innovative and good.

Total cost 60£ for 30 mins, I had expected it to be 70£

All in all, Sara Li is a beautiful, friendly and knowledgeable lady!

I would rate the punt as being on a par with a good punt at Sandys except they had no mirrors where you could see the interaction between client and lady (they did have mirrors for dressing) and the shower was in the toilet.

The maid also disapprovingly pointed out to Sara that I had been there 40 minutes (having arrived early and of course it took me a bit longer than usual to dress and undress given my fractured radial bone)!
