The Premises:

Safe apartment in the Windsor Quay area of Cardiff Bay. Parking easy and free. Flat was clean.

The Lady:

Beautiful Hungarian girl. Black hair, stunning pale blue eyes, soft tanned skin and I would guess a perfect 6 with nice round tits. Also shaven

The Story:

I was offered a shower before. Carla appeared in the room in turquoise bra and panties and she looked amazing. Despite her profile on Adultwork she is not keen on French kissing and made lots of porn star artificial noises. However, she is so stunning I really didn't care. She started by playing with herself for me then gave me a BBBJ before slipping on the condom. She rode me cowgirl and I exploded in a few minutes. She did offer me a massage but basically I am only interested in the sex. 60 quid well spent. She will probably be away until Sept now as she is going home for a few weeks.
