The Premises:

The place is fine. It's a shared flat not far from the station. Inside is nice.

The Lady:

Attractive enough girl. Boob job isn't the greatest I've seen but she's pretty enough and not a million miles away from the photos.

The Story:

Terrible punt. She was disinterested and plainly just going through the motions throughout. Her oral technique was boring. She avoided all positions except for missionary after complaining that I was too big (I'm not). It's the first time I've considered bailing out half way through the punt. A complete waste of £150. There are much better Asian SPs out there.
