The Story:

I had booked early in the day and luckily was able to meet Parissa. Reached the place on time. Went in had a shower when Parissa showed up. She indeed is 6 with heels on!

Hello Kiss and quickly came to know that she is a really friendly girl.

Parissa asked me on to the bed where we starting with oral , good eye contact and technique. Did a quick cow girl with her awesome boobs stroking my face. I must tell i enjoyed running my fingers through her body just because she seemed so firm and fit everywhere. The inevitable finally happened while viewing her from behind as it was a sight too hot for me to handle!.

We chatted for a while...felt very nice! Got up showered and left! This being my second punt i was a little too undeciding and hope Parissa you had a laugh off it !
Will i return? Definitely yes.
