The Story:

This was the first time I've seen Jenny on her own (instead of with Tina or Debbie).

With Jenny you energy and commitment, and a lot of warmth, and a level of experience that lets you relax.

Today, Jenny needed all her cool. Her co-worker for the day hadn't arrived yet, and the phone was ringing off the hook. She coped brilliantly with phone, doorbell and punters, somehow giving her full attention to the job in hand.

When she got in the room with me, she focused completely, and I knew I was in for a good time.

I got a hugely brilliant blow job, which could have gone on and on, and then some reverse oral which is a real pleasure with Jenny.

After sex, we went back to oral, and finished with CIM, which built to such a climax it surprised us both.

Jenny has done this for years. All her experience pays off, with a genuine not-to-be-forgotten experience.
