The Premises:

The usual description of GFE. Easy to find, safe area. Place is nicely decorated and clean. Shower worked well. What more do you want?

The Lady:

This was a spur of the moment decision following Ava's new photos on the GFE site. One look and I thought "I need to get some of that". Ava turned out to be a really friendly, sexy, insatiable girl. A statuesque beauty, she's certainly tall, but so am I so no probs.

The Story:

After my shower, Ava suggested a massage to start but following a "let's say hello" FK session that plan went completely out of the window!

Fantastic OWO approaching an A on my patent-pending OWO enjoyment scale,. Great fun returning the favour which I enjoyed and I hope she did too. Condom on for some more fun but by now I really wanted her ass which was a fantastic feeling. Ava certainly seemed to be into it. Having a partner saying "harder, harder" just makes things so much better.

Finally switched to 69 for a while and then finished with CIM. Knackered! A shower before and after certainly made for a busy 45 minutes.
