### The Premises:

Ella (18) works with her older sister Sara (21) in a modern apartment in Hinckley near Tesco and the train station. They are Latvian with little English so book appointments and give directions by text messages. There is parking at the apartments but I chose to park in Tesco and walk the short distance. Access to the apartment is by intercom. The apartment is safe, clean and tidy but the bathroom stinks of cigarettes.

### The Lady:

Ella is a tall very slim blonde. Small tits and an adolescent complexion. She is fully shaven so I couldn't tell if the hair colouring is genuine and by its texture could even have been a wig.

### The Story:

We got undressed and started kissing. Fully open mouth but no tongue action. I felt and sucked her tits. She then went down on me for OWO. There was too much hand action so I told her to just use her mouth. We moved in front of the mirror and whilst I stood she continued to give me head. After a while I said I wanted to fuck her. I think she said that she was bleeding - difficult to understand her broken English. So I said could I CIM - she agreed and continued sucking my cock. She gagged when I finally came in her mouth but soon smiled. She then went to the bathroom to discharge my load. Offered me the use of the cigarette smelling bathroom before I left. Pretty good punt and I think I might try her sister soon.
