The Lady:

Linda is I guess about 5ft 5ins but was so taken aback by her friendly winning smile I just did not notice her height. She is a blonde mature trim lady whose measurements are 36C-24-35 with blonde hair and fantastic legs. She was immaculately dressed in a business suit and by mature I mean 30ish. Her voice was soft as she came lithely into my room that although I am a regular punter my heart missed a few beats. Some working girls have a certain falsity in the smile--this was not the case with Linda!

The Story:

I am not going to write much about Linda for if you want girlfriend sex and a good time this lady MUST be at the top of your list no matter how far you have to travel to see her. We chatted for long enough over a coffee and what followed was sex from a lady who knows how to please a man. Her kissing is fantastic. Her sexual techniques just blew me away. I wont say anymore than she gets 99.9 per cent from me. I will be back soon Linda. Were I a millionaire I would take you away for a long long long cruise. Maybe keep you just for me!
Thanks Linda
