The Premises:

Inna has just moved in to this flat which is fit for purpose and clean and freshly decorated. Entry is via entryphone off the street and totally anonymous. Parking is plentiful locally and up to 3 hours free at the nearby supermarket. Surbiton station is close by.

She has recently moved from South West London and took some time to find the flat which is just about in a perfect location.

The Lady:

Inna has a great body, curvy in all the right places and a visit to her website will show her attributes better than I can describe.

The Story:

A kiss on both cheeks before I had taken two steps into the apartment and an offer of a drink was a nice start. Inna is very welcoming and has a sexy accent and I was put at ease straight away.

I was offered a shower and took one to freshen up. Back in the room, it was straight down to business, off with the dress and knickers and everything was on offer. She really is totally uninhibited and I was well taken care of with oral both ways, sex in several positions, hand relief and a few laughs along the way. I had another shower before leaving and noticed I was fifteen minutes over the hour as I stepped onto the street. I had a great GFE and she showed me the handcuffs and soft whip which promises a more kinky return visit when funds allow.
