### The Premises:

Usual CMK flat. No problems.

### The Lady:

Very pretty, slim and curvey in all the right places.

### The Story:

When I realised that the beautiful girl who answered the door was Diana and that I was about to spend an intimate half hour with her I was probably the happiest guy in MK (unless you count the other guys visiting Annabellas!)

My tastes are boringly vanilla but a ticklish massage of all the dangly bits, OW (my choice), a long deep session of mish, all with lots of fondling, ticked every box that I have. She is Polish, her English is excellent. Highly recommended.
